

BINGO CALLER'S CARD

The object of the game is to be the first person to get 5 in a row:

Horizontally / Vertically / Diagonally

1. Use your Bingo Caller's Card to call the bingo and keep track of which words you have already called.
2. Print two copies of the caller's card. Cut one copy up, fold the squares in half, and put them in a hat.
3. To call the bingo, pull a square out of the hat, unfold it and read it out.
4. When you have called a word/number, tick it off on the second copy of the caller's card.
5. You can use the second copy of the caller's card to check if a player has a winning card during a game.
